XP: 10,000 + 16 [12,560xp]

Tactical:

Invisibility after first breath to re-charge?

Dispelling Magic before second breath to ensure kill.

Grapple and dive into Lava since Bentos would take no damage from the lava.

Mirror Image when fully engaged in Melee.

1st Round Shield [60 rounds] - 2nd Round Flying - 3rd Pro Law [30 rounds] Ac 35 vs ??

Dispelling Magic -> Dive Attack to drive the Bear into the Lava

Invisible After Bear -> Set up Breath

Mirror Image -> Pro Law

Windblast -> Can buy a round if dex saves are failed.

Magic Mouths [12]: Starting on First Island each set fires in 1 round. 4 rounds to fire all.

1st Set: Master! x3 Master, Master, Master

2nd Set: Someone approaches.... Approaches, Approaches

3rd Set: Bow before the Fiery Lord! Bow, Bow

4th Set: Master, Master

Benthos Speaks:

"Hoha, What is this, you really are fools. You think that scurrying around the ruins has made you heroes. I am afraid you have overreached this time. Ah [wings stretching] it has been long since I've enjoyed a good slaughter."

Before Dispelling....

"Why look at all the power wrapped around that one, let's see how he fares without it...POP"
